Superintendent's Message

*From
The Desk
of
Jim Bare*

The student who tries to please everybody
shows little respect for his own way of thinking.
Our deeds determine us, as much as we deter-
mine our deeds.

Congratulations to the 1965 Yearbook.

Senior Class Prophecy

On May 7, 1980 I decided to take my space cruiser for a jaunt. As I skimmed along, I noticed these familiar faces appear on my T V screen:

Dixie Barbour is now secretary for the famous Edd Burns, "Cooky", her husband.

Jannice Waugh, wife of Gomer Pyle, is now earning her living playing a sax in a dance band on Mars.

Marilyn Griffis, a bartender, is working in a famous casino in Las Vegas, Nevada.

Esther Cohee and her husband, Ken, are now big-time manufacturers of Kent Cigarettes.

Cathy Jay is now pitcher for the New York Yankees.

Vivian Willson, present Vice President of the United States, has just returned from a security trip to Jupiter.

Clyda Raber and her husband, Elvis Presley, have just opened a new show on Broadway.

Fred Pannell, a famous brain surgeon, spends much of his time working in the Appalachian Mountains.

Jim Hanson, now one of the famous rocket drivers, soars to Mars and back hourly.

Judy Mahoney enjoys her job as food taster for General Foods Company.

Duane Thomas is a collector of 49-51 Buicks.

Leonard Schleuning is now president of the Reynolds Tobacco Company.

Bob Gray started manufacturing bib overalls since he decided that Levis are worn too low on the hips.

Maureen is now a nurse in Hulett, working for her hubby, Dr. Kildare.

Dave Ross, now the famous guitar player for the aged Beatles has just returned from an appearance in London.

Dick Rauth is now serving time in the Tijuana Jail for drinking Tequila.

Dick Conzelman and his wife, Liz, are in Arabia riding across the desert on a camel.

Ken Grubb, now married to the famous taxi driver is kept very busy repairing her cars. His wife, Janette Hower, has not had any wrecks this week. Ken also keeps busy chasing after their twenty kids.

Dan Neiman is working for his daddy-in-law, John Mills, paddling his canoe in the ocean.

Jim Frisbee and his wife, Carol Burnette, are in Russia imitating the famous monkey dance.

J. C. Huckins is trying to climb the Devils Tower, but he finds his height isn't of too much help.

Tom Moore is riding bulls on his father's ranch in Mexico.

Tim Moore married to Sandra Dee lives in her father's chicken coop.

Gaylin Grant is now a famous movie producer. His latest movie, Martian Love, just won an Oscar.

Gayle Grant, who teaches children in Hollywood, has just taught them to do the Cha-Cha.

Bob Heaton is now a priest in the African Jungle.

Class Will

LAST WILL AND TESTAMENT OF THE SENIOR CLASS OF 1965 -- We the seniors of 1965 do hereby will and bequeath to the:

Freshmen our charming ways, high grades and ability to get along with teachers.

Sophomores our musical loud voices and ability to stay in trouble at all times.

Juniors we will our unusual sneak day, and ability to put on a prize winning play.

Our faithful sponsor, Mr. Boardman, we will our debts.

Individually we bequeath the following:

I, Tom Moore, being of sound mind and body do hereby will and bequeath to: Jim Maupin my position on the football team and I hope he makes use of it. I will to Daryle Thomas my Algebra II grades.

I, Gaylin Grant, being of sound mind and body do hereby will my position on the football team to Gaylerd Mahoney, hoping he has better luck than I did.

I, Dick D. Conzelman, being of sound mind and body do hereby will and bequeath to Mary Lou Owens my football hip pads so she won't hurt anyone when she walks up the halls, and to Evva Lynn Hauber my luck in getting good grades on History themes.

I, Dan Neiman, being of sound mind and body do hereby will and bequeath to Gene Hughes the school's new pole vaulting pole; get up there, Gene, and to anyone who wants it I will my ability to lose my temper which was willed to me in the past.

I, Fred Pannell, being of sound mind and body do hereby will and bequeath to Phil Neiman everything over six feet of my height. Better look to the future if you expect any profit from that, Phil.

I, Maureen DeLancey, being of sound mind and body do hereby will and bequeath to my sister, Terri, all the fun I have had in my last two years. Make the most of it, kid. And to anybody that wants them my experiences in Chemistry.

I, Cathy Jay, being of sound mind and body do hereby will and bequeath to Anita Morris all my years in H H S and all the grumpy old teachers here that she can stand. Here's hoping you have better luck in Senior P.E. than I did. Good luck, man you need it.

I, Clyda Raber, being of sound mind and body do hereby will and bequeath to Mr. Erickson my sweet disposition so that he won't get so angry at the poor undergraduates. To my sisters, Marie and Wanda, I will all my years in H H S and also all my grades. Good luck, Gals!!

I, Dick Rauth, being of weak mind and body do hereby will and bequeath to Terry Miller my sideburns, and good grades. To Roger Rathbun my ability to bug teachers. To Mr. Bare I will my chewing tobacco so he won't have to take it away from people.

I, Duane Thomas, being of fairly sound mind and body do hereby will and bequeath to anybody who may want it my ability to be in the wrong place at the wrong time and still have fun.

I, Jim Frisbee, being of sound mind and body do hereby will and bequeath to Joe Wood more fun in his senior year and better luck in teasing girls.

I, Gayle Grant, being of sound mind and body do hereby will and bequeath to everyone in Hulett High my good luck.

I, Vivian Willson, being of sound mind and body do hereby will and bequeath to my brother Eddie all the low grades I received in high school in hopes that he may do better. To my brother, Dave my Senior year.

I, Bob Heaton, being of sound mind and body do hereby will and bequeath to nobody my vast amount of nothing, and my ability to get tickets to anyone who sports scavengers.

I, J. C. Huckins, being of sound mind and body do hereby will to Rod Jahnig the ability and courage to make All-State fullback, and to Joe Bush the chance to run into stages if he happens along at the right time. To Tim Tromble I will my ability to throw the discus, hoping that he makes something of it. To Howard Willey I will my fat legs, so that he won't look like he's walking on air. To the freshman class I will four prosperous and delightful years at H H S.

I, Robert Gray, being of sound mind and body do hereby will my ability to run a 5 min. mile to Terry Miller (next year). I don't want to will anything else because I might need it later on, except one thing, I will to George Sherrard my ability to get along with Mr. Calvetti.

I, Jimmy Hanson, being of sound mind and body do hereby will and bequeath to Tim Tromble my position as end on the football team.

I, Janet Hower, being of sound mind and body do hereby will and bequeath to my niece Bonnie Kay Roberts my four years of high school. I will my ability to get along with the teachers to whoever is dumb enough to accept it.

I, Esther Cohee, being of sound mind and body do hereby will and bequeath to my sister, Linda, the ability to study hard and the ability to get along with the teachers.

I, Marilyn Griffis, being of sound mind and body do hereby will and bequeath to Donna Richards my ability to quibble with Mr. Erickson and keep

from being kicked out, and to my brother, Howard, all the fun I had in my junior year in high school, here's hoping you get better grades though than I did.

I, Jannice Waugh, being of sound mind and body do hereby will and bequeath to Sherry Mahoney all my cheerleading years in high school, and to anyone who is windy enough my position of playing baritone sax. Work hard; it's well worth it.

I, Kenneth Grubb, being of sound mind and body do hereby will and bequeath to Wayne Hedger my football uniform and hope you have as much fun with it as I did. To my sisters, Donna and Joyce, all the fun I had in high school.

I, Dixie Barbour, will to Mary Pannell all the fun and experiences I've had on band and chorus trips and to Donna Richards my ability to give Mr. Erickson a bad time and still get A's in shorthand. You have to humor him a little, Donna!

I, Tim Moore, being of sound mind and body do hereby will and bequeath to Howard Willey my Ag report card. I hope you get it completed, Howard!

I, Judy Mahoney, being of sound mind and body do hereby will and bequeath to my sister, Patty, all the fun I had on my senior sneak and anything else I may have of any value that she wants.

I, David Ross, being of sound mind and body do hereby will and bequeath to Dixie Hennessey my curly hair.

Class History

In September 1961 32 shining faces appeared at Hulett High School to register as Freshmen with Mr. Robert Syluberget as their sponsor.

Our class favorites in 1961 were Jannice Waugh and Fred Pannell. Our officers were: President, Fred Pannell; Vice President, Duane Thomas; Secretary-Treasurer, Jannice Waugh; Reporter, Dixie Barbour.

On February 3, 1962 we presented our play, Almost Summer.

For our skip day we went on trip to Spearfish Canyon and to the show in Belle Fourche.

In September 1962 our class consisted of 28 members. We gained one new student, Sharon Cummings and we lost Zella Grant, Wesley Huckins, and Billy Huseby. After two weeks Sharon Cummings had moved.

Our officers for 1962 were: President, Dan Neiman; Vice President, Pete Leonard; Secretary-Treasurer, Judy Mahoney; Reporter, Beverly Davis; Parliamentarian, Marilyn Willey. Jimmy Dickson and Marilyn Willey were chosen class favorites.

We went to Lead and Deadwood and to a show in Belle Fourche on our sneak.

At the beginning of our Junior year, we gained one new student Linda Holmes, but we lost Jimmy Dickson. Favorites chosen in our Junior year were

Maureen DeLancy and Dan Neiman. The officers chosen were: President, Tim Moore; Vice President, Fred Pannell, Reporter, J. C. Huckins; and Dixie Barbour, Secretary-Treasurer.

We put on our play, Atomic Blonde on November 15.

We had a beautiful turnout for our Junior-Senior Prom on May 8. The theme was "Gone With the Wind". Jerry and the Jokers played for the prom.

We went to Devils Tower for our sneak.

Our Senior year began with 28 in our class -- Beverly Davis and Pete Leonard had left us, but Jimmy Hansen and Leonard Schleuning had joined us from Moorcroft. Our officers were: President Fred Pannell; Vice President, Dan Neiman; Secretary-Treasurer, Maureen Delancey; Reporter, Dick Conzelman. Class favorites chosen were Judy Mahoney and Dick Rauth.

We put on our play November 6 --- The Many Loves of Dobie Gillis. On checking our records, we found that Leonard Schleuning had completed his work the first semester and Marilyn Willey had become Marilyn Griffis. She was married to Jerry Griffis.

Our valedictorian is Tim Moore and our Salutatorian, Dixie Barbour.

We went to Denver May 1 for our sneak. We visited the U.S. Mint, Air Force Academy, and saw the Ice Capades and Cinerama.

We enjoyed the prom the Juniors held for us. The theme was "Moonlight and Roses."

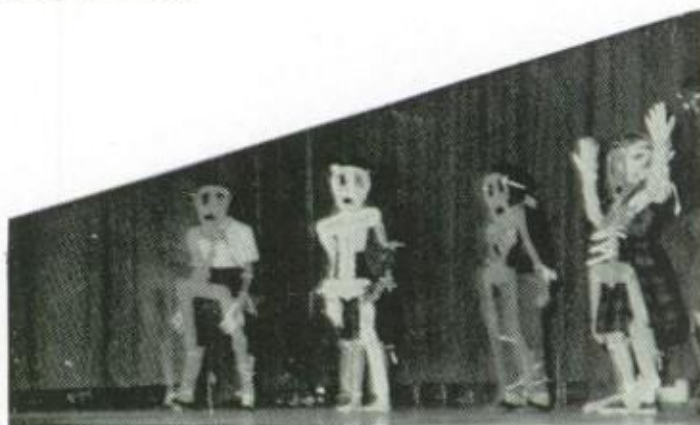

Baccalaureate Services were held May 16. Our Commencement was held on May 17 with Dr. William Davis from the University of Wyoming as speaker.
